## About Us

Welcome to the Slicer Street Church of Christ. If you're looking for a church family, we believe you've come to the right place! Here at Slicer Street, we are focused on being the family of God that the Lord calls us to be. We hold up the Scriptures as the sole source of doctrine and instruction for living, and we produce all of our beliefs and practices from them. We seek to develop a love for man which reaches out to our fellow human beings with the message of the gospel. Please join us as we reach up, reach in, and reach out.

### "Don't Sweat the Small Stuff"

What will we get frustrated about today that won't matter tomorrow? It seems to me that we let all kinds of things get under our skin. If something is done in a way that we're not used to, it annoys us. If we have to change our routine in the slightest, it annoys us. If a person says even the smallest wrong thing, it annoys us. How much of that really matters in the grand scheme of things? Very little in my estimation, but we let all of these trivial annoyances dominate our experience of life. Instead, let's be on the lookout for eternal matters. Watch for the things that will not only matter tomorrow, but for all of eternity. Don't be annoyed at the person you're having to interact with for some frivolous reason. Instead, view them as a soul that God loves, and take the opportunity to love them.

-In love, Jay
