## About Us

Welcome to the Slicer Street Church of Christ. If you're looking for a church family, we believe you've come to the right place! Here at Slicer Street, we are focused on being the family of God that the Lord calls us to be. We hold up the Scriptures as the sole source of doctrine and instruction for living, and we produce all of our beliefs and practices from them. We seek to develop a love for man which reaches out to our fellow human beings with the message of the gospel. Please join us as we reach up, reach in, and reach out.

### "Something Worse Than Snow"

As I am writing this, I am watching my weather app, keeping an eye on the incoming winter weather. Soon people will begin to storm gas stations and grocery stores to prepare themselves for being stuck at home with no power. When the weather man on TV tells them to get ready, they'll get ready. God promises us that something is coming for most people that is much worse than a little snow. **"For we must all appear before the judgment seat of Christ, so that each one may receive what is due for what he has done in the body, whether good or evil." 2 Corinthians 5:10** God promises to judge the world, and God's word is much more trustworthy than a meteorologist. Unfortunately, most people will not heed His warnings. I hope you are prepared for the judgment, because it's coming!

-In love, Jay
