## About Us

Welcome to the Slicer Street Church of Christ. If you're looking for a church family, we believe you've come to the right place! Here at Slicer Street, we are focused on being the family of God that the Lord calls us to be. We hold up the Scriptures as the sole source of doctrine and instruction for living, and we produce all of our beliefs and practices from them. We seek to develop a love for man which reaches out to our fellow human beings with the message of the gospel. Please join us as we reach up, reach in, and reach out.

### **"Just a Little Drip"**

This past week we had some water damage happen to our house as our air conditioning unit leaked for a couple days. It didn't seem like a huge leak, just a few drops here and there, but as it continued our carpet became soggy and our hardwood warped and bubbled. It strikes me that this is a good illustration for how sin works in our lives. Sin might not seem like much to us. It's just a little drip that we can keep under control! We think that it's a small thing and not hurting anyone, but when we step back and look at the big picture we see that it causes more damage than we think. You could say that our lives become soggy and warped much like my floors. Please never be fooled into thinking that you have sin under control or that it isn't a big deal. There is no such thing as a "small sin". Remember, just a little drip can cause serious damage.

-In love, Jay
