## About Us

Welcome to the Slicer Street Church of Christ. If you're looking for a church family, we believe you've come to the right place! Here at Slicer Street, we are focused on being the family of God that the Lord calls us to be. We hold up the Scriptures as the sole source of doctrine and instruction for living, and we produce all of our beliefs and practices from them. We seek to develop a love for man which reaches out to our fellow human beings with the message of the gospel. Please join us as we reach up, reach in, and reach out.

### "Mission Possible"

We are a church that is well connected to mission work. That's a very good thing. It shows that we take the great commission pretty seriously here. In a way, it shows that you are personally committed to the great commission because you support mission work, but do you also remember that there are many souls here who desperately need the gospel? You have neighbors and coworkers who are living apart from God, but they aren't going to come here to listen to a sermon. How are they going to be reached? Romans 10:14 says, **"How then will they call on him in whom they have not believed? And how are they to believe in him of whom they have never heard? And how are they to hear without someone preaching?"** Who among us has the best opportunity to "preach" to the people you see every day? This isn't a trick question... it's you! Sometimes mission work doesn't mean you go across the country. It means you go across the street.

-In love, Jay
