About Us

Welcome to the Slicer Street Church of Christ. If you're looking for a church family, we believe you've come to the right place! Here at Slicer Street, we are focused on being the family of God that the Lord calls us to be. We hold up the Scriptures as the sole source of doctrine and instruction for living, and we produce all of our beliefs and practices from them. We seek to develop a love for man which reaches out to our fellow human beings with the message of the gospel. Please join us as we reach up, reach in, and reach out.

"Real Relationships"

What is your closest friendship in your life? Think about that for a moment. I imagine many of you thought of someone that you've known all of your life - maybe a childhood best friend or a longtime coworker. Did anyone think of a brother or sister in Christ? Should those relationships not be our closest? Now, I'm obviously not saying that you're not allowed to have a best friend who is outside the church, but we do need to give serious consideration to our closeness (or perhaps lack of closeness) to our fellow Christians. The people around you this Sunday morning are your brothers and sisters. They are those that you have a common commitment to Jesus Christ with. His blood covers all of us together, should that not result in extreme closeness? You've heard that blood is thicker than water. Well, Jesus' blood is thicker than ours. Let's cultivate real relationships among ourselves and be the close-knit family we were meant to be.

-In love, Jay
