About Us

Welcome to the Slicer Street Church of Christ. If you're looking for a church family, we believe you've come to the right place! Here at Slicer Street, we are focused on being the family of God that the Lord calls us to be. We hold up the Scriptures as the sole source of doctrine and instruction for living, and we produce all of our beliefs and practices from them. We seek to develop a love for man which reaches out to our fellow human beings with the message of the gospel. Please join us as we reach up, reach in, and reach out.

"That Time of Year"

It's soon to be everyone's favorite time of the year: voting time. You didn't read any sarcasm in that statement, did you? Politics are everywhere right now, and they usually bring out the worst in people. There are verbal fist fights over this stuff. I don't talk about politics very often because I don't think that's my job, but what I am concerned with is how you treat others who disagree with you politically. You should not be one of the people engaging in those slug fests with words. The important thing to remember here is that before you represent a political party, you represent Christ. And that means if someone supports a candidate that you can't stand, you be kind to them anyway. I don't care if you are a democrat or a republican. You are a child of God, and that means you have to love both democrats and republicans. It's fine to disagree with someone about politics and to explain why you support whoever you do, but it should always be done in love and respect. There are ways to go about this kind of thing, and it's always the loving way.

-In love, Jay
