About Us

Welcome to the Slicer Street Church of Christ. If you're looking for a church family, we believe you've come to the right place! Here at Slicer Street, we are focused on being the family of God that the Lord calls us to be. We hold up the Scriptures as the sole source of doctrine and instruction for living, and we produce all of our beliefs and practices from them. We seek to develop a love for man which reaches out to our fellow human beings with the message of the gospel. Please join us as we reach up, reach in, and reach out.

"Get rid of the Grudges"

Does anyone here have problems with forgiving? Anyone? Yeah, me too. When someone has wronged us, forgiving is usually the last thing we want to do. Instead, we'd rather hold on to grudges. We don't want to let someone who hurt us off the hook so easily! The ironic thing is that we end up doing the opposite. Ask yourself a few questions. When you are holding on to a grudge, who is the one not eating because they can't stop thinking about the situation? Who is the one lying awake at night running through the events over and over again in their minds? Who is the one feeling sick because they won't let go of all that anger? Holding a grudge is like drinking a bottle of poison and hoping the other person dies from it. It just doesn't make any sense. Instead of being bitter, instead of talking to everyone but them about the issue, go talk to them (In love of course) and work it out. Please, let the anger go. Drop the bitterness. Get rid of the grudges. Forgive!

-In love, Jay
