About Us

Welcome to the Slicer Street Church of Christ. If you're looking for a church family, we believe you've come to the right place! Here at Slicer Street, we are focused on being the family of God that the Lord calls us to be. We hold up the Scriptures as the sole source of doctrine and instruction for living, and we produce all of our beliefs and practices from them. We seek to develop a love for man which reaches out to our fellow human beings with the message of the gospel. Please join us as we reach up, reach in, and reach out.

"Be Careful Little Tongue what you Say"

You have people in your life who have a way of getting under your skin, right? Don't feel too bad, we all do. What I'm concerned with is how do you talk to them? What kind of words do you say to them? What tone of voice do you use? If you're anything like me, then it's a real struggle to watch your words when you're talking to someone who has all the personality of a piece of sandpaper. We have to remember that fair or not, people judge us at our worst, and many times our worst is going to come out in situations like that. Choose your words carefully. **"How great a forest is set ablaze by such a small fire! And the tongue is a fire, a world of unrighteousness. The tongue is set among our members, staining the whole body, setting on fire the entire course of life."** James 3:5-6 What we say in moments of frustration has a way of destroying our entire reputation. You will never in your life be negatively judged for being too kind, but you will for lacking kindness.

-In love, Jay
