“Afraid of Fellowship?”

Today we will do things somewhat differently. Following our worship, we have a fellowship meal. We all know what happens at just about every church when a potluck is planned, right? As soon as worship is over, many members will make a bee-line to the door (just like every week) and skip the fellowship meal. They will go to their favorite restaurant or do their usual Sunday lunch tradition. Now I of course understand that sometimes things come up and a person cannot stay. But if you are planning to miss the meal today, is it for a pressing matter? Can you really not stay? Or do you just not want to stay? You may think that this potluck is not important, but you would be wrong. Fellowship is essential to the health of the church. Acts 2:42 says this about the early church, **“They devoted themselves to the apostles' teaching and the fellowship, to the breaking of bread and the prayers.”** I think we all would agree that teaching, communion, and prayer are important. Why do so many of us throw fellowship out the window? Let's devote ourselves to fellowship!

-In love, Jay
