About Us

Welcome to the Slicer Street Church of Christ. If you're looking for a church family, we believe you've come to the right place! Here at Slicer Street, we are focused on being the family of God that the Lord calls us to be. We hold up the Scriptures as the sole source of doctrine and instruction for living, and we produce all of our beliefs and practices from them. We seek to develop a love for man which reaches out to our fellow human beings with the message of the gospel. Please join us as we reach up, reach in, and reach out.

"Turn on the Light"

If you enter a dark room, what is the first thing you do? Turn the light on, of course. This is as basic as it gets. To remove darkness, you must add light. Unfortunately, for so many of us we try to get rid of darkness by adding more darkness! So often we face spiritual opposition and our natural response is to fight fire with fire so to speak. If someone is hateful toward us about a spiritual issue, it is so easy for our response to be in that same hateful language. We might think we are making a stand for what's right, but we are actually making matters worse. **"Whoever says he is in the light and hates his brother is still in darkness. Whoever loves his brother abides in the light, and in him there is no cause for stumbling. But whoever hates his brother is in the darkness and walks in the darkness, and does not know where he is going, because the darkness has blinded his eyes. I John 2:9-11** It is impossible to defeat darkness by introducing more darkness. If someone is hateful to you, turn on the light – love.

-In love, Jay
