About Us

Welcome to the Slicer Street Church of Christ. If you're looking for a church family, we believe you've come to the right place! Here at Slicer Street, we are focused on being the family of God that the Lord calls us to be. We hold up the Scriptures as the sole source of doctrine and instruction for living, and we produce all of our beliefs and practices from them. We seek to develop a love for man which reaches out to our fellow human beings with the message of the gospel. Please join us as we reach up, reach in, and reach out.

"The Return of the King"

Do you know which prophecy concerning Jesus is the most quoted in the New Testament? It is **Psalm 110:1, "The Lord says to my Lord: "Sit at my right hand, until I make your enemies your footstool."**

He isn't always presented as the peaceful shepherd. One of the greatest pictures we have of Christ is of the mighty king who conquers his foes. He will stand with his feet placed on their necks. These enemies include Satan, those within his sphere of influence, and even death itself.

It seems to me that many faithful Christians live in fear. Some of us are afraid of evil in this world. We are afraid of the hold that death has over us still. The good news is that there will be a day in the future when the King returns and all of these things will be placed beneath his feet. That day might be in the future, but we are citizens of his kingdom now. Let's stop living in fear and realize that our King is in control!

-In love, Jay
