About Us

Welcome to the Slicer Street Church of Christ. If you're looking for a church family, we believe you've come to the right place! Here at Slicer Street, we are focused on being the family of God that the Lord calls us to be. We hold up the Scriptures as the sole source of doctrine and instruction for living, and we produce all of our beliefs and practices from them. We seek to develop a love for man which reaches out to our fellow human beings with the message of the gospel. Please join us as we reach up, reach in, and reach out.

"Ordinary Building, Extraordinary God"

Isn't it so nice to be back in the auditorium for worship? It seems a bit silly to be excited because of a building, but I think we all desire a little slice of normal these days. Getting back into the auditorium provides a bit of that. However, let's remember that normal does not mean the same thing as routine. There is nothing routine about our worship. We may be back in our ordinary building, but the God we worship is in no way ordinary. We may have some added excitement because of the location of our worship, but let's make sure we have much more excitement because of the object of our worship! **"Oh come, let us sing to the Lord; let us make a joyful noise to the rock of our salvation! Let us come into his presence with thanksgiving; let us make a joyful noise to him with songs of praise! For the Lord is a great God, and a great King above all gods."** Psalm 95:1-3 He is the Lord of lords, and today we worship Him!

-In love, Jay
