## About Us

Welcome to the Slicer Street Church of Christ. If you're looking for a church family, we believe you've come to the right place! Here at Slicer Street, we are focused on being the family of God that the Lord calls us to be. We hold up the Scriptures as the sole source of doctrine and instruction for living, and we produce all of our beliefs and practices from them. We seek to develop a love for man which reaches out to our fellow human beings with the message of the gospel. Please join us as we reach up, reach in, and reach out.

### "Friends of the King"

What types of people would a king associate with? You would think it must be the rich, famous, and powerful. Not so with the king of kings. Think of the people that Jesus surrounded himself with. It wasn't the wealthy. It wasn't the powerful. It wasn't even the most outwardly righteous. Jesus had a way of attracting the poor, the lowly, and even the sinner. Not only did they come to him, but he welcomed them. Jesus would often eat with tax collectors and those with the worst possible reputations. These are the people that Jesus would show kindness to and invite into the kingdom of God. You have a sphere of influence in this life – people that you come in contact with on a regular basis and hopefully have a relationship with. How many of your relationships are with the poor, the lowly, and even the sinner? Do you welcome in those with the worst possible reputations? Are you willing to show them kindness and invite them into the kingdom of God? It's hard to be Christ-like if we're afraid to love the people Christ loved.

-In love, Jay
